AMENDMENT A

Dear Sir:

This Amendment is being filed in response to the Official Action mailed
August 19, 2002.

Please amend the Application as follows:

IN THE TITLE:

Please amend the title to read:

--MASSAGING BED REST CUSHION WITH LIGHT--

IN THE SPECIFICATION:

Please replace the paragraph beginning at page 3, line 7, with the following rewritten
paragraph:

--Independent touch sensitive button controls for setting the speed of the motor, the levels
of the vibration of the massaging elements and for power, and for turning the light off and on and
a rheostat control may be maintained beneath a thin flexible membrane mounted on upper or side
surfaces of an armrest. Alternatively independent touch sensitive controls may be a touch
